

1. MIDDLE SCHOOL CONSOLIDATION: As noted in the introduction, the consolidation concept under consideration would assign students in grades 6 through 8 to "Pittsburg Middle School", which would provide a more comprehensive program for students in that age group. The proposed middle school would offer expanded Language Arts programs, foreign language for all students in grades 6 through 8, science laboratories, and electives in technology, family consumer science, physical education and art. Please indicate your reaction to this concept:

2. HIGH SCHOOL CONSOLIDATION: The consolidation concept under consideration would have high school sites at both Canaan and Colebrook with expanded vocational courses offered. There would be no high school program in Pittsburg. What is your reaction to this portion of the proposal?

3. VOCATIONAL OFFERINGS: The consolidation concept under consideration proposes an increase in the number of vocational courses offered through Canaan Memorial School because it is a recognized satellite vocational site. Currently business management and building trades are offered at Canaan. The plan under consideration calls for additional programs to be provided both on site at Canaan and off-site. Please indicate which the following vocational offerings you would like the high schools to offer to students in the region in the future. You may choose more than one.

4. TRANSPORTATION: Some students are currently required to travel over 30 miles and/or spend more than 40 minutes on the bus. The consolidation plan under consideration will increase transportation distance and/or time on the bus for some students, particularly those in grades 6 through 12. 20. Bloomfield, Brunswick, Lemington, and Norton all have school choice. In order for them to retain school choice they would need to form a Regional Education District as part of the consolidation plan OR commit to sending their students to either Canaan School OR Colebrook. Given the choice between forming a Regional Education District and retaining school choice or joining an interstate district that would require attendance at either Colebrook
